

# MY TESTIMONY

Good evening everyone, I'm Caleb and I am going to share with you today my own personal experience of God's faithfulness, mercy and love]

I was born into and brought up in a Christian family. I learned to pray before meals, read the Bible each day. I also attended a Christian School.

This was the promise my mother made to God before I was born, that when she had me, she would train me in the way of the Lord.

I thought that since I was in a Christian family, I myself was a Christian, I was later to realise that I was so very wrong.

I began to think about death and what would happen to me, Was I really saved? I became scared at the prospect of eternal life in hell.

I remember specifically one Sunday, At the age of 6, I was in Church and the sermon was about accepting the Lord Jesus as your own personal saviour.

I realised that Jesus made this possible for me to know him, by dying on the cross for my sins.

The message really reached out to me and I made my decision to give my life to the Lord that Sunday.

Since that time I have seen the importance of reading the Bible and praying everyday. I realise that it is not enough just to be saved, but I have to grow in my Christian walk with the Lord, and be obedient to him.

Along the way I have seen the many mysterious ways that the Lord has worked in my life and it has helped to really strengthen my faith in the Lord.

I attended Bible Study sessions at Church and learned of the next step which I had to take, Baptism.

It was here that I realised that prior to my conversion I was spiritually dead. I saw that when Christ died, I died to the old sinful way of life crucified with Christ. God had now put his Holy Spirit within me and given me new life, Making me alive to God, Alive to the fact of Sin and Alive to the Cross.

What a wonderful thing to know!

I want to be baptised because it is a step I need to take as a Christian and I am deeply convinced that it is the right one at this time in obedience to Our Lord and Saviour Jesus Christ.

I know that there will be times of difficulty in my walk with God. But I stand assured by His promise in 2 Corinthians 12:9 that His grace is sufficient for me.
